

TIPS FOR

CHALK THE WALK

Prepare your team

Review where you will be meeting, gather waters, and dress appropriately.

1

Gather Litter

First, walk the trail, gather litter, check out locations for your designs. Gather your trash bags at a trail head or dispose of it in your car.

2

Chalk the Walk!

Write uplifting messages and chalk nature-inspired designs on the sidewalks.

3

Take pictures & videos

Take pictures of your designs, your teams with their drawings, and videos of your team chalking the walk!

4

Share Pictures!

Share your videos and images with the Community Engagement team.
